Dear Mr. Jacobson:

It is with great appreciation that I write to support and applaud you for your work in creating the Wills for Heroes Foundation, which provides free wills and other estate planning documents to America's first responders – our police officers, firefighters, paramedics, and correction officers.

As a member of the House Armed Services Committee, I have a deep appreciation for all the men and women who risk their lives to serve us. I am so proud that you - a fellow Arizonan - have volunteered your considerable time and talent to create this valuable program.

I know that you have many volunteer attorneys who work tirelessly to implement *Wills for Heroes* nationwide, and I salute those officers of the court who donate their time to provide some security for the families of our first responders.

True American spirit comes from the generosity and passion of people like you who see a need and fill it. On behalf of my constituents in the Eighth District of Arizona and my fellow members of Congress, I offer you my most sincere thanks for offering such a valuable pro bono service.

Sincerely,
